

## Risk And Uncertainty Assessment For Natural Hazards

# risk and uncertainty assessment for natural hazards

## risk and uncertainty assessment for natural hazards

The crowd opens with Aunt Polly crossing the fence in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out bravely, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with his work.

Tom comes home at supper time. During supper, Aunt Polly asks him about his afternoon and what he was doing. Tom's collar is still smeared with jam, but he says that he had a good time. Aunt Polly is not satisfied, but she lets him go to bed.

Tom goes out of the house to play on the streets of St. Petersburg. He and the new arrival, Joe, choose the afternoon all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and catches him off, leaving Tom alone with his labor.
